

The Wig Library

The Wig Service is run by volunteers and operates every second and fourth Monday of the month at Calvary Mater Newcastle.

This free service assists approximately 450 patients each year from all over the Hunter New England region. Our clients are male and female, and the age range of clients varies greatly from children to seniors.

The Wig Service is a personalised service and our hairdressers are trained in the fitting of wigs and like to take time with each client. Sometimes you may experience a wait, however, we encourage you to enjoy our very comfortable waiting room, a cuppa and the company of others. The service is free to our patients, however we are always grateful of donations to enable us to keep up with the latest fashion hair styles and we like to buy new wigs regularly.

We are located in the Medical Centre in the new Clinical Services building in Platt Street, Waratah (South block). There is a lift in the entry foyer of this building on level two for your convenience.

You can be referred to the Wig Service by a staff member or through word of mouth. There is no need for a formal referral, although you will need to make an appointment.

Please call (02) 4921 1205 if you would like to make an appointment or if you wish to make a donation to the service, please call (02) 4014 4714.
