

## Dietetics and Pharmacy Services

### Nutrition and Dietetics

A clinical nutrition service is available for inpatients and oncology outpatients. Dietitians specialise in nutrition support and nutrition counseling. If you have a difficulty eating, any special dietary needs or are seeking nutrition information, please inform your doctor or nurse and a dietitian will see you as soon as possible.

### Pharmacy

A pharmacist advises on selection of new drugs, dispenses your medication, is a medication specialist, monitors your drug therapy, provides drug information and is available to discuss any concerns regarding your medications. Please ask your nurse to arrange this.
